Ana,

Thank you for your July 10, 2019, inquiry on behalf of your constituent, Mazen Shweika, regarding the Petition for Alien Relative (Form I-130) he filed with U.S. Citizenship and Immigration Services (USCIS). Thank you for providing a signed privacy release.

Your constituent's case is pending security checks. We are unable to determine at this time when the review process for your constituent's Form I-130 will be completed. We are striving to resolve these issues as soon as possible. We understand that your constituent may be frustrated by the progress of his case. However, USCIS must balance individual inconvenience against broader issues of public safety and national security. Unfortunately, we are unable to speculate as to how long it might take for this process to be completed. As such you may wish to check back with our office periodically for the latest case status update.

We hope this information is helpful. If we may be of further assistance, please let us know.
